

Dear Families,

It is almost the end of the school year and that means that it is time for the annual Staff End of the Year Gift Collection. In lieu of buying individual gifts for staff members, you have the option to participate in this group gift collection. All proceeds are divided between all the staff so that no one gets left out. This is 100% voluntary! If you would like to participate:

1. Determine the amount that you would like to contribute toward the gifts and write a check for that amount (or pay via Venmo; @Brianna-Bowers-10). Please make checks out to Brianna Bowers. I prefer Venmo or a check over cash for record keeping, but will accept cash.
2. There is no set amount that you must contribute to participate! You can send in what you would have spent and can afford!
3. Send the donation to: Brianna Bowers, 340 Quaker Meeting House Rd, Honeoye Falls 14472 Please mail it NO LATER than May 24th or send into school to my attention by May 27th.

Staff members will receive a card with some small token gift thanking them for all they do for our children (all the participating family names will be listed) and a cashier's check, which will be delivered before the last day of school.

Please contact me if you have any questions!
