

# Safe Harbor Battle in the Saddle

## 10 YEAR ANNIVERSARY! How can you help?

We know that businesses, such as yours, are targeted every day to do sponsorships without receiving anything in return. By becoming an **Official Battle in the Saddle Sponsor**, there are several ways your business will benefit from sponsoring our organization.

Sponsors will be announced at our shows, listed in our newsletter, posted on our website & social media pages, and listed on our show flyer. We encourage sponsors to set up vendor booths at our show. All donations & sponsorships will go directly to our fundraiser efforts. We are not just looking for a sponsorship check, we are looking for companies to build a relationship with to help us fight the battle against homelessness & addiction.

*The idea for Battle in the Saddle was born by a couple of men who love to go to barrel racing events and watch their kids compete. Watching families fellowship together, watching friendships form. There are however those that do not have that opportunity. Those that are homeless, hungry, addicted and nowhere to go. These 2 men work for Safe Harbor; a place of refuge, a place to start over. This Barrel Racing Fundraiser will help provide meals, clothing and much more. We look forward to a great event full of fellowship and barrel racing.*
