

AUDREY BOISSONOU

KEVIN CASEY

MortgagePros411 is a weekly video podcast featuring interactive conversations with industry experts and peers. Each week, we dive into a wide range of topics, from industry news and the economy to marketing strategies, compliance, and underwriting guidelines. Our episodes are designed to provide timely, useful, and often humorous insights to help you close loans and increase productivity. Tune in for smart, engaging content that keeps you informed and connected in the ever-evolving mortgage and lending world.

This week, Audrey & Kevin are joined by:

Michael Simmons

Michael Simmons is Principal, Co-Founding Director, and Co-President of AXIS Appraisal Management Solutions, a national AMC. With over 40 years of experience as a real estate agent, mortgage broker, and mortgage banker, he brings a unique perspective to AXIS' commitment as a relationship-driven, service-focused appraisal organization. As Co-President, he guides strategic direction, leads sales initiatives, and represents AXIS at national and regional industry conferences and regulatory forums including MBA, NAMB, CAMP, AARO, CRN, and REVA. Simmons also serves on the Board of Directors for CAMP's San Francisco and Peninsula Chapter, while still striving for a healthy work-life balance.

Liz Green

Liz Green is a strategist, speaker, and valuation advocate with extensive experience in mortgage technology across valuation, origination, servicing, and secondary marketing. Since 2009, she has advanced data standards in valuation, earning recognition as a 2015 MBA Tech All Star and 2025 CRN Valuation Visionary while chairing key MISMO and Collateral Risk Network committees. She is known for driving innovation and applying digital intelligence to property valuation and collateral risk assessment. Green currently serves as SVP of Valuation Solutions at ServiceLink, leading the URAR and UAD 3.6 transition and guiding product evolution and business growth.
