Community Art Project for Easter

Thank you to everyone who patiently adorned coloring pages and fluffed tissue-paper flowers after Wednesday worship during Lent! More than 120 separate coloring pages were combined into four huge "Alleluia" butterfly banners, and the many tissue-paper flowers now adorn the large cross used throughout the Lent season. This tradition of "flowering the cross" symbolizes the new life that emerges for us through Jesus' death on the cross. Both the banner and the flower-filled cross will adorn our worship space throughout the Easter season, which culminates with the Feast of Pentecost on June 6.

Graduate Recognition, Sunday, May 11

On May 11 we recognize our high school graduates in the Class of 2025, and offer them our blessings and support as they step forward into the world. It's been truly heartwarming to witness the journey of these two seniors and the impact they've had on our congregation and community. As they embark on their next chapter, may these young adults continue to inspire others with their faith, resilience, and willingness to serve.

Graduating Seniors and their future plans:

McKenna Walker

McKenna will be attending DMACC in the fall majoring in Human Services.

Clayton Weinberger

After graduation, Clayton will take time off from school to work and follow his passion for music production.

Prayers for Healing, Sunday, May 18

Once each month, Sunday worship includes an opportunity for individual prayer for healing and anointing (the sign of the cross placed on your forehead in oil). If you wish to receive this ministry, simply proceed to one of the healing ministers once you've received communion.

If you'd like to join in this offering, please make a gift **by May 11** on the St. Stephen website, share your gift in worship, or mail it to the church office. Make checks payable to St. Stephen with "Food Pantry" in the memo.

Do You Have Books to Donate?

St. Stephen's Free Little Library could use a few more books. If you have books at home that you would like to donate, please place them in the designated tote inside the Office Entry door. Contact the church office for assistance with an after-hours donation. Thank you in advance!

Urbandale Food Pantry Collection for May, 2025

In May we will focus on gathering **canned meats (chicken, fish), Spam, peanut butter, side dishes, shampoo, diapers-sized 4, 5, and 6**. Please place items for the Urbandale Food Pantry in the shopping carts (Gathering Area). Financial gifts marked "food pantry" are always welcome, and can be shared in worship or sent to the church office.

Free Little Pantry

Donate "dry goods" groceries by placing them in the Free Little Pantry itself. If there's not enough room in the Little Pantry, overflow can be placed in the designated tote inside the Office Entry door. Please be sure to close and latch the pantry door to keep weather and critters out.

March Congregation Council Meeting Highlights

On Tuesday, March 25, 2025, the Congregational Council met for their regular monthly meeting. Highlights from the meeting included:

- Approving an upgraded hearing assist system for the Sanctuary. A feature of the new system is a smartphone app that will connect the sound system with Bluetooth-equipped hearing aids. In addition, six handheld receivers will be available with headphone or loop accessories. Memorial funds will be used for this purchase.
- Preliminary planning on a project to review and update church policies. Many existing St. Stephen policies are out of date and do not reflect current practices and needs. A task force is now working to review and update the Property Use Policy. Policies related to finance and accounting were referred to the Finance Committee.
- Approving the “beta test” for a potential faith formation program called “Wonder on the Go.” The ultimate goal is to share our Sunday School curriculum with other (smaller) churches that lack a Faith Formation staff member.

The financial report showed February 2025 income (\$37,281) was close to what was expected in the 2025 Ministry Plan. However, expenses (\$44,783) were higher due to continuing education purchases for staff. This is an example of ministry expenses that are paid all at once, whereas the Ministry Plan budgets them over 12 months. With the mortgage, the total net loss for the month was \$8,705.

Worship Volunteers Needed for AV Desk!

We have so many wonderful worship volunteers each week! One area where we could use some additional assistance is the AV Desk. The AV team is responsible for:

- Monitoring the sound and advancing the slides for the screens/livestream
- Running the livestream to Facebook and YouTube
- Setting up and using the mobile camera for use in the livestream

The AV Desk volunteers are supplied with a guide each week, which has all the information needed for the service. If you are interested in joining our AV Team, please talk with Jana Taylor (jana@ststephenlutheran.org) and she can set you up to shadow one of our volunteers.

Are you 70 1/2 Years Old this Year?

When you reach the age of 70 ½, you are eligible to make Qualified Charitable Distributions (QCD) from your IRA.

- Qualified Charitable Distributions can be made from a traditional IRA, inherited IRA, rollover IRA or an inactive SEP or SIMPLE IRA. Inactive SEP or SIMPLE IRAs are no longer receiving contributions.
- The funds are directly transferred to the qualified charity or charities you choose from your IRA.
- An individual can contribute up to \$108,000 per year. The amount of the distribution is not included in taxable income or deductible as a charitable contribution.
- For those who are at least 73, this amount may apply to your Required Minimum Distribution (RMD). It also reduces the value of your IRA to reduce future RMDs. Note the age for QCD eligibility is lower than the current RMD age.

When you consider your charitable donations for 2025, this may be another option for you. Consult your tax or financial advisor for the best strategy for you.

New Hearing Devices for Worship

In April, Communication Innovators installed our new hearing assistive devices for worship. These devices have replaced the old headsets and are essentially a smartphone, which connect to headphones, ear bud or a loop. We will also have information available soon about additional options for installing an app on your phone, or using bluetooth headphones. Please see specifics below, or ask an usher for assistance on Sunday mornings.

Hearing Devices Available

- Select your preferred headset from the basket: ear bud, headphones or loop (loop is for use with hearing aid).
- Plug headset in to hearing device (jack is on the bottom of the device).
- Press right side button to turn screen on.
- Press ST-STPHEN-HEAR on screen.
- Press red speaker icon to un-mute the sound.
- Adjust volume and you're ready to go.
