Short bio of the business:

Lucian Xpression is a handcrafted souvenir business which produces for sale agro-processed produce including handmade paper, paper products, natural crafts from bamboo, calabash and coconuts, traditional candy and hive by-products like lip balm and honey bears.

Lucian Xpression has been producing craft from 1992. Recognising that the shops were flooded with imported souvenirs, the desire to make 'Made in Saint Lucia' be equated with uniqueness and quality, and the focus on alternative uses for agricultural produce, in 2003 Lucian Xpression purchased the handmade paper business from TIFIFI Studio. Since then has we have diversified our offering and have participated in exhibitions in Barbados, Guadeloupe, Grenada and St. Lucia. We are a family operate business situated in Des Barras, Babonneau. Our focus is to produce products that can be customised to suit our customers' needs.

Lucian Xpression's greatest achievements to date is obtaining a grant from Caribbean Climate Innovation Center (CCIC) in 2013 to green my papermaking process and obtain Environmental Awareness and Best Product – Climate Change awards at the Sustainable Development through Entrepreneurship Conference in Grenada in 2015, held by the Caribbean Centre Of Excellence For Sustainable Livelihoods (COESL)
