Taxi Program for Senior Citizens

We are pleased to provide the senior citizens of Barrington Township with this service.

Procedures for this Program

Proof of residency is required. The Township issues 10 tickets per month to the individual. For another set of tickets to be sent in the mail, the individual can call the Township.

The Township will pay one-half of the fare up to a maximum \$8.00. *Example:* If the total fare is \$15.00, the Township will pay \$8.00 and the participant will be responsible for the remaining balance of \$7.00.

Call American Taxi (847-253-4411) for taxicab service and allow the driver time to arrive at your location for a scheduled departure time. Please advise the dispatch call center that you have these discount coupons. (Note: Drivers are not allowed to physically handle Seniors or disabled passengers. However, there is no extra passenger charge for Seniors traveling with family, care givers, spouses, or friends who can help the Seniors.)

Payment of Taxicab Fare:

- The senior citizen rider will need to have the ticket ready to present to the driver, with the required information completed on the ticket: Date, Home address, Pick-up Location and Drop-off Location.
- Upon arrival at the destination, the senior citizen will give the driver one ticket and pay the driver his portion of the fare.
