

Below is a little bit of information about the 5 interns who are joining us at PES over the summer.

Christina

- **Where is your hometown?**
 - My hometown is Pittsburgh, PA.
- **School and Graduation Year?**
 - I attend the University of Rochester and my anticipated graduation year is 2023.
- **What is your proudest accomplishment thus far?**
 - Finding the right balance of time management and hard work to maintain a high GPA in Engineering while still enjoying myself.
- **If you could live anywhere, where would it be?**
 - I would enjoy living in Italy with many of my other family members.
- **What originally got you interested in your current field?**
 - I originally became interested in studying Materials Science in middle school where I first learned about the field. Taking math and science classes and doing an internship related to the field has only solidified this passion.
- **What advice would you give to your younger self?**
 - I would tell my younger self to stress out a lot less than I did about my grades - just keep working hard and everything will be okay in the end!

Amanda

- **Where is your hometown?**
 - My hometown is Pittsburgh, PA.
- **School and Graduation Year?**
 - I attend Grove City College and my anticipated graduation year is 2022.
- **What is your proudest accomplishment thus far?**
 - Playing on the Grove City varsity Volleyball Team.
- **If you could live anywhere, where would it be?**
 - I would enjoy living in Maine.
- **What originally got you interested in your current field?**
 - When I worked on a project doing skincare and cosmetic formulation.
- **What advice would you give to your younger self?**
 - I would tell my younger self to be thankful for every opportunity.

Greg

- **Where is your hometown?**
 - My hometown is Harrison City, PA.
- **School and Graduation Year?**
 - I attend Penn State Behrend and my anticipated graduation year is 2023.
- **What is your proudest accomplishment thus far?**
 - Becoming a Crossfit Coach.
- **If you could live anywhere, where would it be?**
 - I would love to move to Texas.
- **What originally got you interested in your current field?**
 - I worked in the Machine Shop three years ago and really enjoyed it.
- **What advice would you give to your younger self?**
 - I would tell my younger self to take better classes in high school.

Reese

- **Where is your hometown?**
 - My hometown is Greensburg, PA.
- **School and Graduation Year?**
 - I recently graduated from Saint Vincent College as the class of 2021.
- **What is your proudest accomplishment thus far?**
 - Getting accepted into Graduate School.
- **If you could live anywhere, where would it be?**
 - I would live in Cleveland, OH.
- **What originally got you interested in your current field?**
 - My introduction to Materials Science Course during my freshman year and the possibility of one day working in Aerospace.
- **What advice would you give to your younger self?**
 - I would tell my younger self to always pursue your passion, no matter how far fetched or difficult it may seem.

Kyra

- **Where is your hometown?**
 - My hometown is Hamilton, VA.
- **School and Graduation Year?**
 - I attend Grove City College and my anticipated graduation year is 2022.
- **If you could live anywhere, where would it be?**
 - I would love to move back to Virginia because I love it there!
- **What originally got you interested in your current field?**
 - I love math and science and engineering, let me apply both.
- **What advice would you give to your younger self?**

- I would tell my younger self to keep trying new things because you never know what new opportunities you may have in the future.
