

Workshop One: Beyond Imagination Networks with the Rev. Dr. Chad Abbott - We will discuss the various networks we are cultivating across the conference that will provide individuals engaged in a variety of mission and ministry efforts more opportunities to equip, connect, and potentially resource those ministries.

Workshop Two: Beyond Imagination Rural Church Initiative with the Rev. Dr. Monica Ouellette - We will discuss the development of the STAR coalition (Small Town and Rural Churches) and how we are going to work with our STAR and smaller churches through a variety of educational initiatives.

Workshop Three: Beyond Imagination Bi-Vocational Lab with the Rev. Dr. Izzy Harbin - We will discuss the ins and outs of bi-vocational ministry, how bi-vocational ministry works, especially in locations that are difficult to resource with ministers, and how our Bi-Vocational Lab will provide the necessary resources to equip future bi-vocational ministers in these locations.

Workshop Four: Beyond Imagination Communication with the Rev. Dr. Cassidy Hall - We will discuss best practices for communication within the local church, current communication strategies within the conference, and how we are continually evolving in our communication strategies to equip, connect, and resource our local churches.
