

INKY WOMEN
SARAH'S
WORK

Dearest Women of Christ in Kentucky,

I received your email with heart felt gratitude and joy, I am on my knees, in tears and focusing on God with raised hands, saying thank you to you the servants of the most high and to God for considering me worthy of God's service and in your partnership.

Thank you very much.

Thank you too for collecting and saving funds for the work of God in my hands.

I am praying for God to bless you all for trusting me to handle your resources to do this work.

I am also praying for God to give me more wisdom, strength and enablement to continue in the work faithfully and successfully. That a lot of community transformations will continue to occur through us.

I pray that God will continue to bless you all and you have been putting in (strength, money energy, words of encouragements, words of wisdom, prayers and all).

May God be glorified.

I pray God bless you in the retreats.

Words alone cannot express or count the blessings we receive through you. May the Lord turn May God's face shine on you all. And keep you safe, healthy and lovely.

I pray God makes it possible for you to come and see your good works here one day if possible, between now and March next year.

The rainfall is almost going now and before it falls again in April next year.

Thanks a lot.

Yes, I will send you reports of all proceedings. As soon as Rebecca sends the money and I continue in the work.

Sarah
