September 2019

Dear Parents and Guardians,

Did you know your child(ren) can benefit from..

- Interactive White Boards and Science kits
- Virtual Learning System for Students
- Free extended Year Summer Programs
- E-Rate Funding for Technology
- Technology Coaches and Online Programs
- School Scholarships and Grants

A portion of the funding for these important educational programs is made available through your hard-earned tax dollars. Every family contributes, and every student can benefit, regardless of income level. ***Our School can be eligible for up to \$2,000 per student for each form returned!***

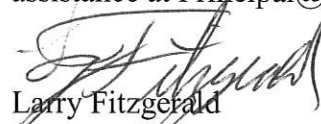

Here's how your child can take advantage of one or more of these resources.

In order to determine eligibility for these programs, parents must fill out the attached form in its entirety and return it to your youngest child's teacher by October 4, 2019. For privacy, you may seal it in an envelope marked "office".

Please list all names of children attending our school on the application and complete all questions on the form.

This form is not shared with anyone. It is for school administration to determine what programs your child and the school are eligible.

Thank you for your cooperation and please do not hesitate to contact me if I may be of further assistance at [Principal@jpii.org](mailto:Principal@jpii.org).
