Dear Parents/Guardians,

Did you know your child(ren) can benefit from:

- Interactive whiteboards and science kits
- Virtual learning system for students
- Free extended year summer programs
- E-RATE funding for technology
- Technology trainers and "online" programs
- Scholarships and school grants

A portion of the funds for these important educational programs are available through your tax dollars that have been earned with your effort. Every family contributes, and every student can benefit regardless of income level.

***OUR SCHOOL MAY BE ELIGIBLE AND RECEIVE UP TO \$2,000 per student for each form returned!***

Here's how your child can take advantage of one or more of these resources:

To determine eligibility for these programs, parents must complete the attachment in its entirety and return it to their youngest child's teacher by October 2, 2020. For privacy, you may seal it in an envelope marked "office".

List all the names of the children who attend our school on the application and complete all questions on the form.

This form will not be shared with anyone. It is only for the school administration to determine what programs your child and the School are eligible.

Thank you for your cooperation and feel free to contact me if I may be of further assistance. My email is [principal@jpii.org](mailto:principal@jpii.org).

God Bless,

Larry Fitzgerald  
Principal
