

**JULY
22-26**

Hobby Quest Photography I

12:30PM-3:30PM, Grades 1-6

Kids + cameras = a blast! In this exciting adventure into the world of photography, kids learn all the tricks that pros use! Each student is given professional equipment to create a gallery to show off their images on the final day. **Cost:** \$175 per child (*Maximum 16 students*)

**JULY 29-
AUG 2**

Hobby Quest Photography II

9:00AM-12:00PM, Grades 1-6

Learn all the tricks that pros use! Each student is given professional equipment to create a gallery to show off their images. Appropriate for new or returning campers. **Cost:** \$175 per child (*Maximum 16 students*)

**JULY 29-
AUG 2**

Hobby Quest Fashion

12:30PM-3:30PM, Grades 1-5

Designing sunny shorts, breezy skirts and terrific tops will be easy at this camp! The possibilities are endless as we show how to tap into creative genius, and since every young designer deserves their day on the runway, we celebrate the end of the season with a fashion show! **Cost:** \$175 per child (*Maximum 16 students*)

**AUG
5-9**

Science and Crafts

9:00AM-12:00PM, Grades 2-5

What do kids love more than making messes? In this camp students will do hands-on science experiments and crafts, from tie-dye to home-made ice cream. Students should bring water bottles and hats. Students also need to bring a white t-shirt for tie-dye. **Cost:** \$135 per child

**AUG
5-9**

Art Camp: Exploring Color

1:00PM-4:00PM, Grades 2-5

In this camp kids will learn tips and tricks about the color wheel, and learn to see color differently by studying works by famous painters such as Van Gogh, while being encouraged to create their own unique works. **Cost:** \$135 per child (*Maximum 16 students*)

**AUG
12-16**

MAD Science: Crazy Chemworks

9:00AM-12:00PM, Grades 1-5

Shake up a flask of fun as a junior chemist! This week is packed with explorations of cool chemical and physical reactions, lab equipment, acids & bases, fluorescence, states of matter and much more! Kids get to keep a set of labware at the end of the week. **Cost:** \$139 per child

**AUG
12-16**

MAD Science: Gross-O-Rama

1:00PM-4:00PM, Grades 1-5

Get ready for the science of grossness and ickiness! Discover the yucky science of bodies, chemistry, polymers, germs and nature. Grossologists learn how to extract DNA, how germs spread, dissect owl pellets and follow the human digestive process. **Cost:** \$139 per child

**AUG
12-16**

MAD Science: Junior Scientist!

9AM-12PM, Ages 4-6

Preschoolers discover science as they become Junior Mad Scientists! This camp is a great introduction to science as the children explore the senses, the science of colors, and the way things move. Hands on activities include searching for fossils in a mini dinosaur dig and learning about the planets, moon, and stars! **Cost:** \$139 per child

**JUNE
17-21**

Culinary Boot Camp

9:00am-12:00pm, Grades 6-8

Learn how to prepare baked goods while following strict guidelines in the kitchen. Combine science, technology, engineering, mathematics, and creativity to make tasty food. *Students must wear closed-toed shoes and bring their own apron.* **Cost:** \$135 per child (Max 10 Students)

**JUNE
24-28**

Play Well LEGO Engineering AM: Superhero Engineering

9:00AM-12:00PM, Ages 5-7

Save the world with LEGO® Super Heroes! Build the hideouts and vehicles of your favorite caped crusaders! A Play-Well instructor guides young heroes as they save a city where ingenuity and imagination can solve any conflict. **Cost:** \$150 per child

**JUNE
24-28**

Play Well LEGO Engineering PM: Bash'em Bots

1:00-4:00PM, Ages 8-12

Ever wanted to learn how to make a motorized LEGO® machine? Our Play Well Engineering instructors guide students as they create machines that traverse obstacles, battle against fellow bots, and take on Play-Well Instructors' creations. **Cost:** \$150 per child

**JULY
8-12**

Drama Camp

8:00am-12:00pm, Grades 3-8

Our Theater Summer Camp makes theater accessible to all children, helps them gain an appreciation for the arts, increases self-confidence, self-esteem and responsibility by participating in dramatic activities that culminate in a Broadway Review! **Cost:** \$150 per child

**JULY
8-12**

STEM Engineering Robotics Lab

12:30PM-3:30PM, Grades 3-8

Join us for a week building fun and crazy robots! Learn about the uses of robots in real life and build your own with LittleBits. Children will explore circuits and coding to create their own bots they can take home! Materials included. **Cost:** \$150 per child

**JULY
15-19**

Hobby Quest Aviation

9:00AM-12:00PM, Grades K-6

Learn to build model aircrafts and delight as they soar overhead. Whether handling sharp maneuvers or sweeping through loops and curves, these models are sure to amaze. Each one is yours to keep at the end of the camp! **Cost:** \$175 per child (Max 16 students)

**JULY
15-19**

Hobby Quest Magic I

12:30PM-3:30PM, Grades K-6

Join us in this fantastical, fun-filled adventure where you'll become a magician and learn to perform stunning stage feats and dazzling close-up tricks! All the tricks you've learned are yours to keep at the end of the camp. **Cost:** \$175 per child (Max 16 students)

**JULY
22-26**

Hobby Quest Magic II

9:00AM-12:00PM, Grades K-6

Join us in this fantastical, fun-filled adventure where you'll become a magician and learn to perform stunning stage feats and dazzling close-up tricks! All the tricks you've learned are yours to keep at the end of the camp! Tricks are different and independent from Magic I, so this camp is good for new or returning campers. **Cost:** \$175 per child
