

Meeting Critical Healthcare Needs in Gaza and West Bank - Zoom Event

June 28, 10 AM PDT, 1 PM EDT, 8 PM Jerusalem

Rozana-Health Diplomacy and churches, mosques and synagogues across the DMV invite you to learn about Rozana's growing network of life-saving medical services for Palestinian civilians in Gaza and the West Bank with the involvement of Israeli and Palestinian hospitals, NGOs, and volunteers.

Hear a report on Rozana Community Clinics in Gaza City and Deir al-Balah, where Gazan doctors and nurses are offering quality medical care to thousands of Palestinian civilians monthly.

Learn about the ground-breaking Women4Women program, through which female Palestinian medical personnel travel to hard-to-reach villages in the West Bank in their mobile clinic to care for women, infants, and children.
