To open your money market with a premium rate, just stop by or give us a call.

And let us know what else is on your mind. We're here for you!

*Receive a premium interest rate when the following requirements are met:

- Consumer Money Market Special is linked to an Embark Checking, Access Checking, or Attain Checking account AND
- The linked checking account has at least one mobile deposit of \$500 or more per month, OR at least one direct deposit of \$500 or more per month

Both requirements must be met by three business days before the end of the statement period. If requirements are not met, then the standard interest rate will apply. Other applicable fees may apply; fees may reduce earnings. Annual Percentage Yield (APY) is effective September 17, 2018, is subject to change without notice, and may change after account opening. \$100 minimum opening deposit required.
