

## MEET EUREKA COLLEGE STUDENT CALLERS!

I am Kate Summers and I am from Mount Carmel, IL. I am a senior at Eureka, studying religion and philosophy with a minor in psychology. Here at Eureka, I am the President of both Disciples on Campus and Eureka College Democrats. I am also an active member of the Delta Zeta sorority, Order of Omega (a National Greek Honor Society), and Chorale. Eureka was and continues to be the perfect fit for me. I choose to come here because of the potential opportunities the school could give me but I never could have imagined all of the places those opportunities would take me (most notably, Honolulu Hawaii)! After I graduate in May, I am taking a year off of school before I go onto seminary in the near future.

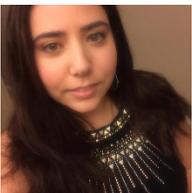

My name is Maggie Dietz and I am currently a senior at Eureka. I am studying Middle Grades Education with endorsements in English/Language Arts and Social Studies. I like to be as involved as I can on campus. Currently, I am the President of the Delta Zeta sorority, the Vice-President of the Chorale, the Secretary of the Order of Omega, and an active member of Delta Kappa Gamma, the Chamber Singers and the Little Red Devils Improv Troupe. After I graduate next year, I would like to teach 7th grade Social Studies in a small school, preferable somewhere close to Eureka! Initially, I chose Eureka because this was one of the only schools in Illinois to offer my major, but once I stepped foot on campus I truly fell in love. The small class sizes have allowed me to personalize my education by getting to know my professors and being able to explore topics that interest me. I have truly found my home at Eureka and I hope that many students will be able to fall in love the same way I did for years to come.

My name is Michaela Young and I am a senior at Eureka. I am majoring in Music with a Vocal Performance Emphasis and a Theater minor. I was born and raised on the South Side of Chicago. I discovered my passion for music at a very young age. Currently, I am the President of the Campus Activities Board and the Multicultural Student Union. I enjoy writing poetry, reading, and listening to music. I am a first-generation student. I heard about Eureka at my high school's college fair. A college admissions counselor urged me to apply. The school offered me a generous award amount and the rest is history! One of

my favorite things to do on campus is participating in the open mic nights.

My name is Ben Wright. I am a freshman majoring in Special Education. I am in the First Generation program and play football. I chose Eureka College because of the close-knit community and atmosphere. I love Coach Barth's attitude and playing for him. I like the family oriented and how the professors treat you like part of their family.

My name is Bianca. I am from Dunlap, IL. I am a Junior majoring in Business administration. Activities I do on campus is I have joined Chorale to do something fun on the side. I chose Eureka because It's a great campus to attend with lots of resources to help me succeed and brighten my future. My plans for the future is to start my own business one day.

My name is Hunter Spence and I am currently a Junior at Eureka College. I am originally from Le Roy, Illinois, a small town nearby. I am pursuing a double major in Pre-law with Political Science, and I am also studying Religion and Philosophy here on campus. I am very involved in campus activities and organizations such as the Lambda Chi Alpha fraternity where I currently serve as the Vice President. I am also working as a residential assistant this year on campus.

I chose Eureka College because they offer so many opportunities for their students to succeed. They also work very hard to make sure that students like myself are ready for the future ahead, whether that be pursuing a career or going on to attend graduate school. After I graduate from Eureka College, I plan to attend Law School where I will go on to earn my juris doctorate degree and practice law here in the state of Illinois.

My name is Jesus Mireles III and I am a freshman at Eureka College. I am majoring in Sports Management with a minor in Criminal Justice. I was born and raised in Cicero, IL, and grew up right outside of the city. I found my passion for sports management at a young age and it is something I always saw myself doing since I was a kid playing sports. I am currently in the First Gen program and two minority groups for being a Hispanic male on campus. I enjoy playing sports and studying business and can't wait to start it in my life after college. I heard about Eureka College from my cousin who wanted to attend. We originally had plans to attend together but that sadly did not work out. I chose to still come because after visiting I fell in love with the campus and the people on it. I intend on going Greek while on campus and love to go to socials around the school and meeting new people!
