Available in the Apple iTunes Store as a free download on iPhone, iPad or iTouch devices and in the Google store as a free download for Android.

Eureka College Connect brings Eureka College services to your fingertips!

This app gives you access to campus events, calendars, view the campus map, connect with student groups, classmates and friends, and retrieve contact information for campus resources.

To get the app, search for **Eureka College Connect** in your app store and install!

WHAT DOES THE APP BRING TO EC?

Improved communication and engagement!

This custom app gives us the tools we need to execute a successful engagement strategy in the same amount of time we spend each week on emails, direct mails, and other communication methods.

WE CAN NOW . . .

- Generate participation through campus activities and traditions.
- Increase student participation in clubs and groups.
- Manage orientations, Welcome Week, Discovery Days, career fairs, and much more!
