High School Social Studies and Driver Education
Teacher, Iowa-Grant High School, Livingston, WI

Cobb, WI
No children or pets, but lots of nieces and nephews!

Driver Education Certification, Millikin University
M.S. in Educational Administration, University of
Wisconsin-Platteville

I love to travel (a whole state tour of Minnesota this
past summer), volunteering in my community, and
during the pandemic have been learning to play golf.

What is something about your current self that your college self would be proud of?

I am starting my 25th year of teaching, using my degree from Eureka College every day. I am also very involved in community service and leadership in the community in which I live. I nominate students to Eureka College through the Recommend Eureka website every year.

Why is it important for you to be a part of the alumni board and/or participate in the advancement of Eureka College?

I believe that we learn from our past, to build in the present, and prepare for our future. I feel that I can provide skills and talents to the board and be a friendly face/voice to the board that everyone knows! I feel that if we all contribute and participate in the college in some capacity, we are making it a better place!

SHOUT OUT! Who was an influential person during your time at Eureka – how did they make a difference in your life?

There are way too many to mention, but some of them would include Dr. Junius Rodriguez, Dr. Richard Sanders, Ken Baxter, Dr. Joe Henry, Joanie and Coach Mac McCollum, and my Delta Sig Fraternity Brothers.
