GREEN SEATTLE DAY!
MAGNUSON PARK, SAND POINT
SATURDAY, NOVEMBER 2nd, 9am-12pm

Join EarthCorps and the Green Seattle Partnership as we continue to work at Warren G. Magnuson Park! These 350 acres located along Lake Washington’s shoreline make up Seattle’s second largest park. EarthCorps supplies gloves, tools, water and snack bars. We will teach you everything you need to know about tool use, safety, forest health, and the importance of the work you will be doing. No prior experience necessary, just come ready to learn something new!

At this project, we will be planting nearly 2000 native trees & shrubs to rebuild the forest. Healthy and thriving forests are vital to our community because they absorb and naturally filter rain water, absorb toxins in the air, produce clean oxygen, provide living spaces for wildlife, and they create a place for people to connect with the outdoors.

WHAT TO BRING
- Clothing that can get dirty (because it will!)
- Sturdy shoes that can handle some mud (closed toed shoes are required: work boots, hiking boots, rubber boots, etc.)
- Long pants and long-sleeve shirt (for prickly plants)
- Rain gear and warm layers (check the weather!)
- Sack lunch and snacks (to refuel)
- Full bottle of water (we will have a water jug on site to refill)

ABOUT EARTHCORPS
EarthCorps is an independent non-profit supported by donors and volunteers. Each year we work with over 10,000 volunteers at hundreds of events around the region to improve our forests, shorelines and salmon streams. We believe that involving the community through hands on work is the best way to keep our parks healthy.

DIRECTIONS
Park Entrance: Sand Point Way NE & NE 65th Street, Seattle, WA, 98115
Meeting Location: The “Kite Hill” area of Magnuson Park, near the main swimming beach.
By Bus: Closest bus stop is 65th St. and Sand Point Way NE. Use the metro trip planner to double check the route and times: http://tripplanner.kingcounty.gov/.
- You will have to walk 1 mile following our orange signs.
- Bus routes 62 and 75 serve this site.
Driving: From I-5 (going north): Take the 65th street/Ravenna Exit. After the stop sign, go straight until you reach a stoplight. Take a right onto NE 65th Street. Follow NE 65th Street for several miles until Sand Point Way NE. Continue past Sand Point Way NE through the NE 65th Street entrance of Magnuson Park. Follow the EarthCorps event signs to the parking/registration area. Park in E4 Lot
