Camp Counselors

Are you interested in fulfilling community service hours? Middle School and High School Band students, who have completed grades 7 through 12 should consider being a Camp Counselor for Summer Band! Community service hours will be awarded.

Miss Dayeh is looking for responsible band students to act as counselors for this camp.

Duties would include: preparing the folders for the registered campers, playing in your instrumental section to assist the younger players with fingerings, leading sectionals to work out rhythmic difficulties or to drill awkward finger passages we may encounter, running the daily trivia game, moving equipment and assisting at break time.

Serious candidates may register for a counselor position by filling out the registration form and selecting "counselor" under attendance.

(Counselor's tuition is waived.)
