

SHARPEN YOUR EXECUTIVE PRESENCE

GLOBAL
PUBLIC
SPEAKING

I. Content: How to speak clearly and concisely

Strategy

Use the PREP Framework

Point: *I believe that*

Reason: *And the reason is*

Example: *For example*

Point: *And that is why I believe*

Exercise

Find a practice partner and have them ask you difficult work-related questions; answer using the PREP Framework.

What transition phrases can you use?

II. Confidence: How to speak with confidence and authenticity

Strategy

Ask, *Why You?* before you speak up in a meeting or give a presentation.

Exercise

Ask, *Why You?* *Why do you care about your work? When was a time that made you care?*

III. Voice & Tone: How to match your voice to your words

Strategy

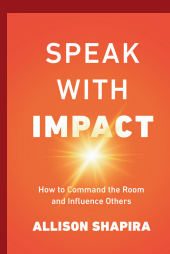

Speak with 100% Intention (focused energy)

Exercise

Practice introducing yourself with 0% intention.

Repeat the same introduction with 100% intention.

What is the difference difference? Where could you use this in your work?
