## QUARTERLY DAY OF CARING

Our last, and final, quarter of 2019 will be dedicated to Welcome Home Baskets. Getting your first place after experiencing homelessness, couch surfing, living in a shelter or your car is exciting...but expensive.

That's why we're proud to launch "Welcome Home Baskets". They're the essential items needed to begin a new life in a new home. We have families and individuals moving into permanent, supportive housing across the region; some of them will have a safe place to lay their head for the first time! With your help, these families can focus on what's most important: meals on the table, shoes on their feet, and transportation to get to work.

We dedicate the months of November and December to collecting much needed items for our neighbors securing permanent/stable housing.

There are many ways to help; collect monetary donations, start a collection drive at your workplace, or hold a holiday party and put together baskets with your family and friends. Any little bit helps!
