# Incident Management Open House

[vdotopenhouse.eventbrite.com](https://vdotopenhouse.eventbrite.com) | @vadotnova

Join VDOT and our local, state, federal and private partners to see how we work as a team to quickly clear incidents.

An outdoor touch-a-truck exhibit with 50+ pieces of apparatus will feature a simulated crash scene to help the public see an incident from the perspective of first responders who work in the roadway every day.

Attendees can watch live demonstrations of patient extrication, towing recovery, drone operations, and tree removal.

Check out our food trucks and kid's zone with family fun activities, too!

VDOT NOVA District Office || 4975 Alliance Drive, Fairfax
