Cheryl Track's Tenth Anniversary

In March of 2007, Cheryl and Ellen Forbes established a Health and Wholeness Ministry at First Presbyterian. Its purpose was to provide education to the congregation and community that focused on promoting health and wellness. The ministry continued to be refined and developed under Cheryl's guidance. In 2011, a volunteer position called *Parish Nurse* was formalized. In 2014, the position of *Faith Community Nurse* was established. It is through Cheryl's leadership, drive, effort, creativity and personal dedication that we have a very successful wellness program at First Presbyterian Church today. We would like to thank Cheryl for her devotion to the church members and community for the past ten years.
