PRAYER OF CONFESSION

Triune God,
you have made us to be in community with one another
and yet we limit our circle of concern to those who are like us.
You have called us to care for your creation
and yet we continue to act as if it is ours for the taking.
Forgive us. Forgive us for forgetting that we are part
of your creation and not the masters of it.
Forgive us for forgetting that everything we do
affects everything - and everyone - you love.
