Jesus Says: "Follow Me!"

In our Bible story today, Jesus asks people to follow him. Following Jesus means learning from him, loving others, and making good choices.

Can you help the disciple follow Jesus' path? Watch out for the excuses that get in the way!

JESUS

Today's Bible Story: No Excuses!

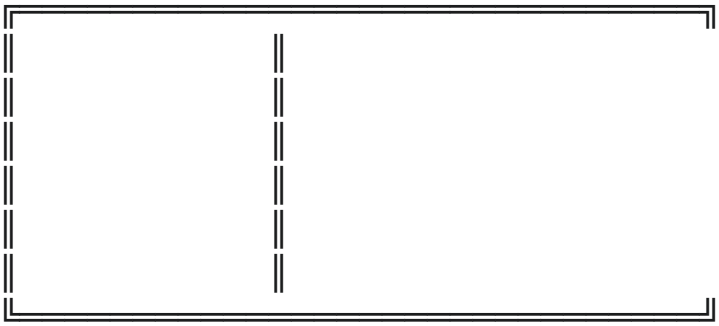

From Luke 9:51-62

Jesus was walking and invited people to join him. But they made excuses!

- One person said, "I need to go bury my father first."
- Another said, "First, let me go say goodbye to my family."

Jesus taught them that following him is the most important job. We shouldn't put it off!

Fishers of People

Jesus said, "Follow me, and I will make you **fishers of people**."

This means he wants us to help gather people together to learn about God's love, just like a fisher gathers fish in a net. **Can you draw some happy fish in the net?**
