Weaving

a new tomorrow

The gifts God gave were for building up the body of Christ.

- Ephesians 4:11, 12

STEWARDSHIP 2022

As part of our stewardship season, we are asking each person to participate in a special weaving project.

You are invited to bring a strip of cloth, fiber, yarn, or ribbon (18-30" in length and as much as 4" wide) to be incorporated into a cloth that will be unique to our congregation. We also hope you will include a note sharing the significance of your piece.

On September 26 during both services, Valerie Sharir, a local weaver, will use her loom to join our collected pieces into one fabric. The finished weaving will be used on the communion table on October 3.

Bring your strips of cloth, fiber, yarn, or ribbon with you to worship on September 12, 19, or 26—or drop them off at the church office during the week—or send them through the mail—but please don't wait, because we need to receive all contributions by the morning of September 26. Look just inside the doors to the sanctuary or Fellowship Hall for a basket that is ready to receive your fabrics and fibers.

We have chosen a weaving theme for this stewardship campaign, because it honors both the singular beauty of each person's life and gifts, while also recognizing that when the Spirit knits us together, we become part of a larger, stronger, more intricate design—the beauty of which is seen in its fullness, only by God.
