

READING-READY

PRESCHOOL PRE-LITERACY CLASS

Little learners ages 4-5 will build essential pre-reading skills known as phonological awareness by exploring and playing with the words, syllables, and individual sounds we hear in everyday spoken language.

Captivating storybooks will be featured to showcase each new skill while sparking imagination and developing eager young readers.

Led by Speech-Language Pathologist and Director of Let's Connect, Johanna Sims, M.S., CCC-SLP

WEDNESDAYS
1:30-2 PM
