

Greetings:

My name is Tina Miller and I am the new Activities Director at Heartland Healthcare South on Sawyer Road. Our residents are in need of spiritual encouragement, especially since COVID first started. I am reaching out to the community to see if others would love to come and visit and encourage our aged.

Now that our facility is open for visitors and volunteers, I am reaching out to find out if possibly there would be some interest to come and share with us on a Sunday afternoon once a month? Like for a ½ hour to sing/and share about your faith to our residents who really need that encouragement. I would be most happy to talk with you to arrange a time.

Also I have included a brochure of the volunteer opportunities that are needed at our facility. If you would please post these, it would be most appreciated.

Again thank you for taking the time to read this, and may the Lord richly bless you!

Sincerely

Tina Miller-Activities Director-

Heartland Healthcare South

(941)-925-3427

VOLUNTEERS NEEDED!

At Heartland Healthcare North

5401 Sawyer Road, Sarasota 34233/ 941-925-3427
