Love is First

We are delighted that you are joining us for worship today! We are a curious, inclusive, and diverse gathering of imperfect people united by our common hope in Jesus Christ. Through worship, study, and service, we seek to know and show the transformative love of God found in the pages of scripture and revealed in the person of Jesus. No matter who you are or where you are on your spiritual journey, know that you are welcome here.

From Cheryl Track, Faith Community Nurse

For the flu season, CDC recommends seasonal flu vaccination. If you're not feeling well, please stay home and join us online if you can. We will have masks available for anyone who wants one while attending in person. This is the season when flu and COVID tend to spike, so thank you for helping us keep our congregation safe.
