

Invest in Children

Yes, Brentwood Elementary School needs you! Three teachers have requested volunteers — all hoping for help with small groups — and all our volunteers have been placed in classrooms. So . . . we're looking for three more volunteers to fill those needs!

Your help is needed in two kindergarten classes where one of the teachers is new to teaching at BES. The third teacher works with ESE (Exceptional Student Education) students.

The FPC volunteers who are already serving at Brentwood are delighted with the reception they have received there. Please join them by speaking with Jinny or Ron Miller at church or calling them at their Sunnyside home, 941-371-2750, ext 554, or by email at jinnyron@gmail.com. You'll be glad you did! Your investment in children will be greatly appreciated!
