**Don't Know What Sporting Clays Is?**

- Sporting Clays are one of several events that involve shooting a small hard-clay disk, called a skeet, with a shotgun (the others being skeet and trap).
- Sporting Clay Shoots were inspired by golf, so the two are very similar in many respects. Some people refer to it as "Golf with a Shotgun". In both events you ride golf carts, play in a foursome, and keep score with scorecards. You visit multiple "stands" (or locations) throughout the course, similar to golfers playing 18 holes.
- The skeet at each stand will be thrown in a variety of directions and speeds imitating hunting gamebirds.
- There are few barriers to Sporting Clays. Men, women and youth (with adult supervision) can all participate, so please bring your family!
- Don't have a shotgun? Don't worry! They will be made available to rent. Only one is required per foursome.
- Safety is the highest priority! A range officer will be there to explain the club rules, safety, and provide instruction so you can enjoy the day!
