National Firewood Workshop - April 27th, 2017

Iredell County CES Office, Statesville, North Carolina

Who Can Benefit From Attending This Workshop?

- ♦ Firewood producers
- ♦ Firewood buyers
- ♦ Firewood equipment makers
- ♦ Foresters and arborists
- ♦ Landowners, loggers
- ♦ Extension agents
- ♦ Woodstove manufacturers

The workshop is a one day educational and networking event to provide the firewood processing industry the latest knowledge on processing, kiln drying and marketing of firewood.

Topics Include:

- ♦ Selling and marketing
- ♦ Finding buyers
- ♦ Purchasing requirements by whole-sale brokers and chain store buyers
- ♦ Managing a firewood processing business
- ♦ Sourcing affordable logs
- ♦ Equipment for sawing and splitting
- ♦ Heating options for kilns
- ♦ Firewood quarantines
- ♦ Dry kiln equipment and methods
- ♦ Other related products
- ♦ Selling green and kiln dried split wood
- ♦ Firewood associations
- ♦ Urban logs as sources of firewood logs

This workshop is part of the Wood Education and Resource Center effort to serve the 35 States East of the Great Plains

Firewood Processing Has Been a Growing Segment of the US Forest Products Industry
