SPONSORSHIP PACKAGES

In partnership with the Goldstream News Gazette, the WestShore Chamber of Commerce is hosting the “Best of the WestShore” Awards on October 24th at Olympic View Golf Club. This event showcases the businesses, non-profits, and facets of our community that are advancing the growth, prosperity, and sustainability of life in the WestShore.

Sponsoring the “Best of the WestShore” Awards is the ideal opportunity to show your support for our incredible community, position your business as a community-oriented leader within the WestShore, receive significant media exposure, and actively build your brand. While our sponsors receive the items listed within this package, we specialize in creating customized perks tailored to your organization and are happy to explore these opportunities with you upon request.
