

“Hearts and Paws”

A Song for Pet Partners of the Oregon Coast

[Verse 1]

We walk with furry friends so kind,
Spreading love to all we find.
A wagging tail, a happy face,
Bringing joy to every place.

[Chorus]

Hearts and paws, we work as one,
Sharing hope with everyone.
With a smile, we take a stand —
Helping people, hand in hand.
Every life is full of light,
We shine our love both day and night.

[Verse 2]

We lend a hand, we share a hug,
Or comfort with a purring snug.
We always try to do what's right,
Spreading care and kind delight.

[Chorus]

Hearts and paws, we work as one,
Sharing hope with everyone.
With a smile, we take a stand —
Helping people, hand in hand.
Every life is full of light,
We shine our love both day and night.

[Bridge]

Animals help us heal and grow,
Their love is pure, it helps us glow.
We promise to be kind and true,
To help the world, me and you!

[Final Chorus – softly, then strong]

Hearts and paws, we work as one,
Sharing hope with everyone.
With a smile, we take a stand —
Helping people, hand in hand.
Every life is full of light,
We shine our love both day and night.

[Outro – spoken or sung softly]

With hearts and paws... we give our most.*
