**December 2024**

**Dear Friends of SJPS,**

**The St. Joseph Public Schools provide a dynamic learning environment for all students, promoting both academic and personal growth. The St. Joseph Public Schools Foundation supports excellence at every academic level so that all students may reach their fullest potential.**

**As the District's academic booster club, we award grants which enrich the education of SJPS students, bridging the deficit gap between school funding and student/teacher needs. Recent initiatives have emphasized STEM (Science, Technology, Engineering & Mathematics) and Literacy programs.**

**Can we count on your support to enrich the education of our future leaders? Community engagement is essential to continue providing support at this level and helping our students flourish into whomever they hope to be.**

**I invite you to visit our grants page at [www.sjpsfoundation.org](http://www.sjpsfoundation.org) to see how your gifts are impacting students. Once you see the broad spectrum of projects we fund, I invite you to donate to our annual campaign. Gifts of any amount are impactful and can quite literally change the trajectory of a student's life.**

**Sincerely,**

**Sam Abdelnour**  
**President**
