

Dear Administrator,

The Texas Dance Educators Association is pleased to host its annual convention at the Marriott Marquis of Houston January 4th – 7th, 2023. Our theme this year is **Make Your Mark**. TDEA serves Texas dance educators by providing quality staff development in the form of professional workshops, technique and master classes, professional vendor networking, and cutting- edge dance curriculum. In addition, the organization provides assistance and support to its members throughout the year.

The Texas Dance Educators Association would like to invite you to attend the Administrator workshops that will be held on **Friday, January 6th**. These workshops are designed specifically for campus and district Fine Arts administrators, addressing issues facing dance education on an administrative level as well as providing education in dance curriculum and acceptable practices in the dance classroom. Attending the TDEA convention will allow administrators to view innovative methods in teaching the TEKS in Fine Arts Dance and will provide an environment to be able to network and brainstorm with other administrators regarding dance education. This year we will be taking a look at dance education as a lifetime of learning. We will focus on the progression of curriculum from Primary to Secondary to Collegiate to Professional. Our goal is to foster a lifelong appreciation for the Art of Dance.

It is the sincere hope of TDEA that you will be able to join us for the Administration strand of Convention 2023. Please visit www.tdea.org for more registration information. The cost is \$125.00 per person and includes Friday workshops, coffee service and an on-site lunch. Banquet tickets are available for purchase through your registration for \$65.00 each. Registration closes on Thursday, December 1, 2022.

Should you need more information, please contact us at info@tdea.org or Denise Cochran at odcochran@gmail.com. We look forward to seeing you.

Sincerely,

Denise Cochran and Jennifer Dawson
