

ADAPTIVE SWIM LESSONS

In partnership with Harrison Swim School and other local instructors, the Dreamplex is offering 2-week private swim lessons for children and adults with physical disabilities and/or special needs. Participants will learn basic aquatic skills and how to be safer in and around the water. Classes are taught in a warm pool.

Scholarships are available to Lake County children thanks to the Lake County Children's Services Council. Everyone is encouraged to apply. Priority will be given to individuals who lack basic water safety skills and those from low-income households. Gardiner scholarship recipients can be reimbursed for swim lessons as the Dreamplex is an approved provider.

WHEN

Swim lesson schedule varies
by instructor
2-week Sessions, April-September

WHERE

Location varies by instructor

COST

\$250-\$400

(Varies by instructor)
