

Keep a child warm this winter! Donate a coat to Hope's Door New Beginning's.

Temple Shalom Sisterhood is teaming up with Hope's Door New Beginnings, a women's shelter, to collect children's coats for their holiday event "Joyland". At the event parents will get to choose new gifts for their children.

Many of Hope's Door's clients are low income (and shelter clients are actually considered homeless), so this is a treat for them and will lift the burden of gift giving at the holidays when money is very tight.

Deadline for coat collection is December 10th
Sizes infant through 12 years old boy or girl.

Coats may be purchased through Hope's Door's Amazon wish list
<https://tinyurl.com/donatecoats> or you may drop coats off at any of the locations below (Sisterhood member's homes). Donation boxes will be on the front porch.
