

# CEO Build

Join other top executives from Macomb County and Habitat for Humanity to give a hardworking family the opportunity to purchase a home in Macomb County.

Executives will launch the build on **Wednesday, May 22, 2019** as volunteers on a construction site.

CEO Build offers you **high corporate visibility, media attention, and concrete opportunities for your employees to give back to their communities.** Each company will also be able to reserve a team building day on a construction site for their employees.

## CEO Build Benefits:

- Receive media recognition for your leadership and investment in the community
- Access exclusive cross-industry networking opportunity
- Strengthen corporate relationships outside of the workplace
- Encourage a corporate environment of giving
- Foster employee collaboration on a team build day
- Offer a "hand up" to hardworking local families
