November, 2020

Dear Sir or Madam,

Every year Macomb County Habitat for Humanity hosts a major fundraising event with the purpose of raising money to build more homes in our community and operate more efficiently.

This year the Believe in the power of home, will be held virtually, on February 12th, 2021.

One of the major components of the event is the Silent Auction. We will have approximately 250 items valued at \$50 or more to auction to our guests.

And that is why I am writing to you today! Would your company be interested in donating an item for the auction?

Habitat for Humanity brings people together to build homes, communities, and hope. Our future homeowners volunteer hundreds of hours and save for a down payment. After those qualifications are met, they can then purchase a low-interest mortgage and become proud homeowners!

Your silent auction item is just one way we can ensure homeownership to a family in need.

Attached you will find a donation form with item suggestions, mailing directions, and contact information to arrange a pick up. All donors will be recognized during the virtual event. We hope you are able to join us for the fun. Thank you for your consideration!

With every best wish,

Carol McQueen
Director of Fund Development
Macomb Habitat for Humanity
