May 31, 2019

Dear Keeneyville District 20 Families,

As part of the Master Facility Plan, this summer, we will be upgrading the parking lots at both Waterbury and Greenbrook to improve safety for students, staff members and parents. There will be new traffic patterns for all parents to follow beginning August 20th for drop off and pick up. Details will be sent out early August.

Construction will begin sometime after June 10<sup>th</sup> and should be completed by August 8<sup>th</sup>. There will be large paving equipment at both elementary buildings and **NO PARKING** available. Due to this project, the Greenbrook Office will be closed to the public during this time. You can leave a message for Mrs. Palmer, the school secretary, at 630-894-4405, or for Mr. Gustafson, the principal, at 630-894-4411. Calls will be returned as construction and vacation schedules allow. If you need to contact someone immediately, you can call the District Office at 630-894-2250, and someone will be happy to help you.

Registration or Residency Verification can be done at the Spring Wood Middle School Commons (please use Door 4 by District office) on Tuesdays and Thursdays between 9am and 2pm. If you need to set up a different date, please call either Greenbrook or the District office to set up an appointment. Please note the District will be closed on Fridays starting June 14 through August 2.

Keeneyville School District is committed to transparency during the construction project. If you have any questions or concerns about the summer project, you can contact Wendy Flaherty, Director of Finance & Operations at 630-894-2250.

Thank you for your patience and support this summer as construction takes place to upgrade our school's parking lot.

Best Regards,

Wendy J. Flaherty  
Director of Finance & Operations/CSBO
