Dear All Saints Church,

Thank you so much for your extremely generous donation of **35 Gift Bags** to Interfaith Works Women's Center this holiday season! Your donation made a huge impact on our clients. It was beyond amazing to see the bags filled with a new blanket, winter hat, thick winter socks, notebook with gel pens, bar of soap with knitted holder, and more!

This year our clients received beautiful gift bags because of wonderful donations such as yours! Our clients felt so loved, cared for, and spoiled! It was amazing to see how much our volunteers and donors care for our clients.

We truly cannot thank you enough for all your generosity and support during these trying times. You have continued to amaze Interfaith Works!

Thank you,

Samantha Cheakalos
