

thank  
you

From Mrs. Chamberlain's Class  
Manzanita Elementary

A large, solid blue rectangular area covers the majority of the background. In the top right corner, there is an abstract geometric pattern composed of several triangles. The pattern includes a large white triangle pointing downwards, a medium-sized blue triangle pointing upwards, and a smaller blue triangle pointing downwards. The overall composition is clean and minimalist, with a focus on color and shape.

# Thank you!

Thank you so much to the Grants pass Museum of Arts! We appreciate you making the slides for us and we are very sad that we couldn't go. I love looking at art from back in the day, it's very interesting how people have different ways to make art!

THANK  
YOU

A photograph of a spiral-bound notebook page featuring the words "THANK" and "YOU" handwritten in large, bold, brown dog treats. The treats are arranged to form the letters of the words. The page is white with a black spiral binding along the top edge. The background is a light-colored, patterned surface, possibly a bedsheet or blanket.

# Thank You!

Even though we were not able to come and see the museum personally, thank you making this for us! It really made up for it and it was very interesting! Thank you for all the work you put into making this for us, so even though we couldn't come, we could still feel like we did.

# Thank You

for the amazing field trip that you provided for us. I am really glad that you are willing to do this for us, because it is super cool and amazing. My favorite part was the Napoleon picture, because he was going to fall off a cliff. The perspective of the artist was really cool and the history was cool as well. Thank you for giving us a tour and I plan to come visit as soon as I can.

Sincerely  
John

TERRIFIC PRESENTATION :
