

## Ohio Department of Natural Resources (ODNR)

### Summer 2020 Internship Program.

Deadline to apply **December 6, 2019**

The **Ohio Department of Natural Resources (ODNR)** is currently seeking applicants for our **Summer 2020 Internship Program**. We hope you will help us spread the word to your students and share the information listed below. We can be found on Handshake and [www.careers.ohio.gov](http://www.careers.ohio.gov), but the easiest way to apply is to visit [www.ohiodnr.gov/jobs](http://www.ohiodnr.gov/jobs) and follow the directions listed under "Summer 2020 Internship Program." The deadline to submit an application is **December 6, 2019**. Thank you in advance for sharing this with any interested students!

Did you know the Ohio Department of Natural Resources (ODNR) offers some of the most diverse career opportunities in state government? Opportunities expand well beyond parks and recreation. Our team of biologists, communications professionals, engineers, and IT specialists, just to name a few, help the Department fulfill its responsibility to manage and protect some of Ohio's most critical resources – forests, rivers, breath-taking natural areas, shorelines and islands, astounding geologic formations, wildlife, oil, gas, minerals and water resources.

If you're interested in joining a team of passionate employees who stay up to date on the latest research, act on good ideas, and work hard to maintain public trust, the ODNR wants you to apply!

Through the ODNR Summer Internship Program, interns will:

- Gain a comprehensive knowledge of what the Department does and why
- Have access to unique professional development and training opportunities
- Play a role in ensuring a balance between wise use and protection of Ohio's natural resources for the benefit of all

The deadline to apply is **December 6, 2019**. Applications for the ODNR Summer 2020 Internship Program are currently being accepted for positions statewide and from students of all disciplines.

ODNR seeks applicants from a wide variety of academic majors, including, but not limited to:

- **ARTS:** digital arts, graphic design, journalism, visual communication design
- **BUSINESS:** advertising, accounting, business, communication, English, finance, history, hospitality management, human resources, information management, information systems, marketing, operations management, public affairs
- **HUMAN SERVICES:** criminal justice, fire science, outdoor recreation and education, recreation management, tourism
- **ENGINEERING:** architectural, civil, environmental, geological, mechanical, mining, petroleum, engineering technology

- **SCIENCE:** biology, botany, chemistry, conservation management, earth science, ecology, environmental studies, entomology, forestry, geography, geology, natural resource management, wildlife management, water management, zoology
- **TECHNICAL:** carpentry, facilities maintenance, geographic information science (GIS), welding

An ODNR internship offers:

- Hands-on, practical experience
- Flexible hours
- The option to gain school credit
- A safe, inclusive, respectful workplace

ODNR Core Values:

- Do The Right Thing, The Right Way
- Promote Science-Based Stewardship
- If It's Worth Doing, It's Worth Doing Now
- Strive for Excellence in Customer Service
- Commit to Great Communication
