

Please save the date for the Career and Leadership Development Center's Inaugural Diversity First Luncheon on February 12, 2020, from 11:00 am-12:30 pm. The Diversity First Luncheon provides space for students to ask questions of representatives from diversity centered organizations and learn about their diversity programs, recruiting initiatives, and potential positions. Students will have the opportunity to apply for employer-sponsored awards. Students who apply must attend to be eligible to receive any financial awards.

We recognize the value of students seeing a familiar face in a new environment. We welcome your attendance to support your students and the CLDC for this event. Feel free to share this event with your students.

Students can register for this event on [Handshake](#).

To apply for an employer sponsored financial award students should complete the [application form](#).
