Poultry Project Members:

4-H and FFA poultry project members interested in entering the Market Broiler Class at the 2019 Clinton County Fair must order their chicks from the Clinton County Extension Office. Guidelines for this class are outlined in this letter.

The chicks will be ordered from Schlecht Hatchery in Miles, IA. Chicks are \$2.00 per chick. It is recommended that you order a minimum of 6 to 8 birds for each pen you wish to exhibit to ensure that you have 3 of the same sex to show by the fair; however there is no limit on how many you may order. Chicks will be shown in a pen of three at the fair (maximum of two Market Broiler entries per exhibitor). **Orders need to be placed and paid for at the Extension Office by May 1. Pick-up will be May 22 at the Extension office between 12 pm and 5 pm.**

To participate in this class, you must:

- Order your broiler chicks by contacting the Extension Office by May 1 of the current 4-H year
- **All poultry must submit a class entry online in Fair Entry by July 1**

If you are interested in ordering market broiler chicks, complete the form below and return it along with your payment (make check payable to *Clinton County Extension*) by May 1, 2019.

If you have any questions, contact Brianne Johnson at the Extension Office: 563-659-5125.
