

# NWEA Map Testing

- January 12-13 Kindergarten - 2nd grade
- January 14-15 3rd grade - 7th grade

Kindergarten through 7th grade will take our middle of year NWEA Map Growth testing next week. These tests will give valuable information about students' strengths and weaknesses in the classroom.

Teachers will then be able to use this information to adjust instruction to meet each student's needs.

Please make sure that your child has a good night's sleep, eats a healthy breakfast, and arrives on time to school for the testing days. If you have any questions about testing, please feel free to contact me or your child's teacher.
