

Trinity School of Texas

Birthday Book Program

Celebrate your child's birthday by giving towards the gift of reading! Make a lasting contribution in your child's name to our school library collection.

How does it work?

Give a donation of \$20 (per child) to the TST birthday book program & fill out the information section below. The librarian will choose & order a handpicked book based on the child's interests. A book plate will be added to the inside of the book recognizing your child by name. The book will be wrapped & given to the student in library time during their birthday week, to celebrate both the student & the gift of reading. Then, the book will go home with the child for a week & will be returned to the library to be added to the collection so others may enjoy it year round.

If you have any questions please contact me!
