In this section, going forward, we will make available to you for review supply chain security insights, best practices and anti-terrorism alerts to help you stay on the cutting edge, such as the following:

### National Terrorism Advisory System

[The following are excerpts from the CBP website] In 2011, **the Department of Homeland Security (DHS) replaced the color-coded alerts of the Homeland Security Advisory System (HSAS) with the National Terrorism Advisory System (NTAS)**, designed to more effectively communicate information about terrorist threats by providing timely, detailed information to the American public.

It recognizes that Americans all share responsibility for the nation's security, and should always be aware of the heightened risk of terrorist attack in the United States and what they should do.

We will share with you our insight and also help you to keep up with the latest National Terrorism Advisory System Bulletin! You can conveniently and reliably gain access to each bulletin through the following link:
