

## 2021 Recipient of the Distinguished Commissioner Service Award

Charles N. Jay

The Baltimore Area Council is proud to announce Charles N. Jay as the 2021 Recipient of the Distinguished Commissioner Service Award.

The Distinguished Commissioner Service Award is the highest recognition that can be presented to a Commissioner by a council. This award recognizes a Commissioner who has consistently engaged in distinguished and exceptional commissioner service resulting in a significant, positive impact on youth and/or units at the district and/or council level, resulting in service rendered beyond the expectations for their registered Commissioner position.

Charley is currently serving as the Northern Lights Service Area Commissioner. He has demonstrated a true servant leader's heart through the support he has provided to units and districts throughout the council. At the same time, he provides direct support to the Commissioners within his service area and supports Commissioners across the council as part of his additional duties as an Assistant Council Commissioner. His dedicated service throughout the council has achieved a positive lasting effect on many volunteers and youth.

The Baltimore Area Council has enjoyed the benefits of Charley's distinguished service to Scouts and Scouters for many years. He will be recognized for his contributions again as the award is presented to him in the spring.
